School of Advanced Studies

Introduction

April 2025 was a productive and academically vibrant month for the Department of Engineering and Technology. The department actively engaged in curriculum-level decision-making, academic assessments, mentoring, and student feedback mechanisms, all aimed at refining the educational experience and supporting student success.

Academic Activities

➢ **Second Continuous Internal Assessment (CIA)**

The **Second CIA** was conducted from **20th April 2025**. Students appeared for subject-wise exams, and the evaluation process is ongoing. Faculty ensured that assessments reflected core learning outcomes and syllabi were adequately completed beforehand.
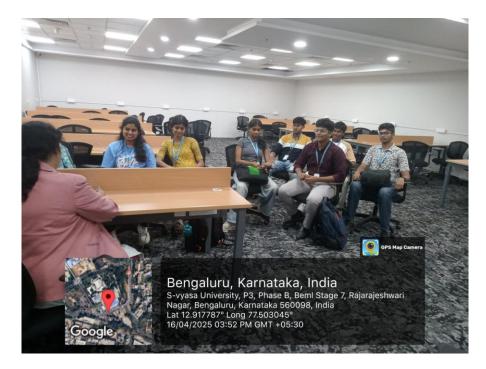

➢ **CIA Planning & Preparation**

In the weeks leading up to the exams, the department undertook detailed planning to streamline the assessment process. Faculty collaborated to finalize question papers, coverage plans, and evaluation schemes in line with academic regulations.

Institutional/Departmental Initiatives

➢ **Class Committee Meetings – 16th April 2025**

Class Committee Meetings were held across all sections to gather feedback on teaching quality, resource availability, and academic challenges. Chaired by **Dr. Smrithi S P**, **Ms. Linta Maria George**, and **Dr. Sowbhagya**, the meetings led to insightful discussions and the implementation of actionable strategies to enhance teaching effectiveness.

Class Committee Meeting with CCM Chairperson and student representatives

➤ **Mentorship Program Execution**

The department's faculty-student mentorship program continued with renewed focus. Faculty members connected with mentees to provide academic guidance, emotional support, and career advice, fostering stronger student engagement and a supportive learning environment.

Curriculum Development & Academic Governance

➤ **Second Board of Studies (BoS) Meeting – 17th April 2025**

The department conducted its **Second BoS Meeting**, where significant academic decisions were discussed and approved:

- **Agenda 2.1:** Approval of revisions to the **credit structure** and **curriculum** under the **2024 Regulations**.

- **Agenda 2.2:** Approval of the **syllabus for Third and Fourth Semester** courses, aligning with the updated framework.

➤ **62nd Academic Council Meeting – 21st April 2025**

The outcomes of the BoS Meeting were presented and officially ratified during the **62nd Academic Council Meeting**. The council's approval reinforces the department's efforts to continuously update and strengthen the B.Tech curriculum in alignment with academic and industry standards.
