

Event Report: “An Introduction to Research-Based Careers”

Date: Monday, 5th May 2025

Time: 3:00 PM to 4:00 PM

Venue: Seminar Hall

The Allied and Healthcare department successfully organized a guest lecture titled “**An Introduction to Research-Based Careers**” on 5th May 2025, from 3:00 PM to 4:00 PM, with the support of **Mr. Shine Antony**, Director of International Affairs, who facilitated the participation of the guest speakers.

The session featured two distinguished speakers:

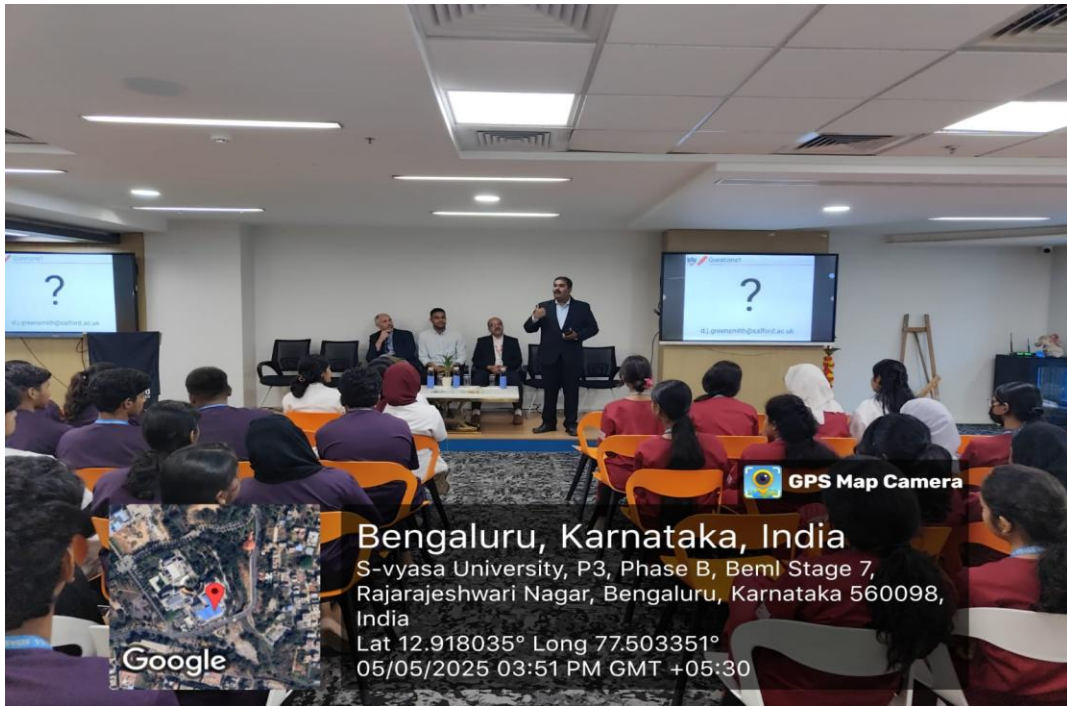

1. **Prof. David Greensmith**, Professor of Cardiac Physiology and Associate Dean for International Development, University of Salford
2. **Mr. Jordan Aird**, Regional Manager, South Asia, University of Salford

Prof. Greensmith delivered an insightful presentation highlighting the value of research in healthcare professions and the diverse opportunities available within research-based careers.

Mr. Jordan Aird followed with a session focused on research prospects for international students. He provided valuable information about academic pathways, institutional support, and the various scholarship opportunities available for students aspiring to pursue higher education and research abroad.

The event concluded with a Q&A session, where attendees engaged actively with the speakers, gaining clarity on international research avenues and scholarship processes.
