Universidad Maharishi de Latino América y el Caribe (UMLAC), a foundation having its head office established in Curaçao, at Kaminda Cas Grandi #79, Willemstad, represented by its chairperson, Prof R.T. Carl Camelia here in after called the Third Party (which expression shall unless repugnant to the context or meaning there of be deemed to mean and include its successors/representatives) of the third part;

S-Vyasa, Maharishi Vedic University and Universidad Maharishi de Latino América y el Caribe shall be individually referred to as party and collectively as parties. The Third Party is introduced by the Second Party to the First Party, aiming at promoting Integrated Medicine strategies and collaboration and will be, together with the Second Party, interacting and collaborating with the First Party.

Whereas the three parties intend to work with each other in all the relevant areas, also the parties inter alia wish to enter into this MOA for potential interest/cooperation in order to cultivate an Integrative Medical System by integrating all the native/local/traditional/alternative/complimentary medical practices/systems with the Allopathic System thereby evolving an integral medical approach in addressing the health problems of the human beings at large.

RECITAL

S-VYASA is committed and dedicated to evolve an integrated medical system and is striving for the last more than three decades to bring the various alternative medical systems to a single platform in order to test, experiment, research, train, practice, educate, get acceptance and approval by the regulating agencies of the land and to cultivate an ecosystem and propagate them among the people. It has spread over its wings far and wide into distant countries in this mission.

1

Maharishi Vedic University (MVU) has the vision of Creating a disease-free society through its various affiliating organizations of the Maharishi International Movement established by its founder His Holiness Maharishi Mahesh Yogi, by the development, implementation and scientific validation in a holistic manner of programs including Transcendental Meditation (TM) and Advanced Techniques of TM, Pulse diagnosis, Herbal medicines, Diet and daily routine, Panchakarma, Yoga Asanas and Pranayama, Maharishi Light Therapy with Gems, Maharishi Aroma Therapy, Yagya, Sthapatya Veda and Vedic Organic Food and by establishing various Hospitals, Clinics and Health resorts all over the world, whereby some of them have created benchmarks in their respective country. Universidad Maharishi de Latino América y el Caribe (UMLAC), has been established to offer Consciousness-Based Education for all the people of the region of Latin America and the Caribbean according to the region's cultural, social, and economic circumstances and has been granted by the Minister of Education, Science, Culture and Sports of Curaçao, through the corporation ICUC International B.V., the authority to teach and grant degrees for several Bachelor, Master and Doctorate programs.

UMLAC aims to reach its goal by developing universities with an educational system that cultivates every student's total creative potential and by developing a complete and scientific system of health care for prevention and cure, for both individual and collective health, through Maharishi Integrative Health and Wellness Centers that offer a unique Integrative Health Centers to prevent and cure chronic disorders and promote healing and wellness through the integration of most effective practices of modern medicine, Maharishi Ayurveda and other approaches of scientifically proven natural medicine.

MVU and UMLAC are desirous to join the hands with the S-VYASA in their endeavor in evolving an Integrative and integrated Medical system in its various phases such as Study of such Systems as part of Medical Education & Training, establishing such institutions for Research and Refinement of the systems by adopting modern methodology for treatment.

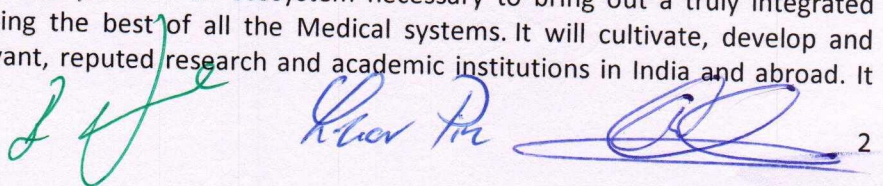

The three parties established their own institutions to work in similar fields and are willing to synergize their efforts and hence are willing to work together both in India and abroad.

Objective: The objective of this Memorandum of Agreement (MOA) is to stimulate and facilitate the development of collaborative and mutually beneficial programs/activities which serve to enhance the intellectual life, research and cultural development and to contribute to increased international cooperation and cooperation within India. The objective of the parties, is to enter into a collaborative/partnership arrangement.

Second Party will try to promote fundraising through its associates for the integrative medical hospital & college projects at an appropriate time.

The official information available on curriculum adopted by UMLAC and Maharishi International Intuitions will be shared with first party for the programs to be offered together. The party that provides information and materials to be used in the joint activities is considered by parties to be the exclusive owner of these materials.

First Party is open for collaboration in USA for their VAYU (Vivekananda Yoga University) Project with Maharishi Vedic University. It accepts to enter into definitive agreements with MVU and UMLAC. It will initiate and cultivate to progressively evolve an ecosystem necessary to bring out a truly integrated Medical System by incorporating the best of all the Medical systems. It will cultivate, develop and strengthen relations with relevant, reputed research and academic institutions in India and abroad. It

will facilitate efforts in nurturing human resources to promote and propagate thus integrally evolved alternative and integrative medical systems and health education. It will introduce Second and Third party to governmental and non-governmental organizations in India having a relationship with First Party in order to promote and get Second and Third Party's programs also adopted in those organizations.

First Party will promote to Indian candidates to study Integrative Medicine and other programs at Third Party University in Curaçao and will help make scholarships hereto available. The possibility to offer parts of the program in India will be explored.

All the three parties will coordinate research and development activities with reputed organizations, Governments and Universities in India and abroad. First Party will support that in India for the Second and Third Party, the Second and Third party will support this abroad for the first party.

All the parties will endeavor devise strategies to promote the Alternative and Integrative Medical Systems at large. The parties will continue to associate with each other in the development of all the phases in fulfilling the vision thus envisaged.

Confidentiality : The parties agree to maintain the confidentiality save their employees, directors and advisors. Any public announcements will be made after mutually agreed upon. Parties agree furthermore that the terms of this Memorandum of Understanding and resulting Final Agreement are to be kept confidential as are the elements of the programs, finances and the respective business plans pertaining to its implementation.

Exit : This agreement is valid for 3 years from signing of this agreement, thereafter it can be extended with mutual consent.

Legal costs : Neither party will claim any damages. All disputes solve only through friendly procedure

Counterparts : This agreement may be executed in any number of counterparts which taken together shall constitute a single document.

This Memorandum of Agreement is signed among the parties on this day of December 8, 2017 at Bengaluru.
