NOTES:

Complete solution will be available on Microsoft cloud by iWeb Technology Solutions Pvt. Ltd. and control of the data will be 100% provided to 'The University' and will be under the complete control of 'The University'.

Customization will be done based on the system requirement specification (SRS) and Design document which is signed off by the senior officers of 'The University'.

During system requirement, implementation, training and support travelling(Manager Category 2nd AC tier and Executive Category 3rd tier in train or AC bus only) lodging, boarding and local/city conveyance would be the responsibility of 'The University'.

The scope will include registration/admissions of all the courses conducted by S-VYASA University (both under regular & distance education mode) /fee collection will be done via online payment only. This would be including all the payments which would be done by the regular or distance learning student. ONLINE PAYMENT IS MANDATORY AND NO CASH, DD PAYMENT MODES WOULD BE ENTERTAINED BY 'THE UNIVERSITY'.

iWeb 1 (one) resource would be placed at University campus from the date of implementation (GO-live stage of all modules)to hand hold the users and also master train the 2 in-house dedicated resources allotted by the University for this automation project initially for period 90 days and extended till further period beyond 90 days as agreed mutually. During this tenure travelling, Lodging, Boarding and local conveyance during any official onsite visit will be borne by 'The University'. If the iWeb resource is expected to extend at University campus for further hand-holding, it would be at an agreed cost between the both parties.

Considering all the above features wherever there is a need to procure hardware device would be out of scope. 'The University' would procure the hardware devices from an external hardware / SI Vendor(external hardware company)and integration only would be provided by iWeb. Data format should be well in advance mentioned to the device vendor as either .xls, mdb or SQL format only would be considered. Incase if any API or web-service available by the vendor then that also would be fine.

Website or Portal development would be out of scope along with Alumni management. But data for all the alumni students would be provided by iWeb in any of the formats mentioned above to the portal development company/vendor.

Local server if required for storing the student's documents/Files/Videos/Images/Audios/Assignment will be provided by 'The University' only.

Inc case if 'The University' is willing to immigrate data from any third party application or from any soft copy or Excel or some manual records, Data migration may be executed by iWeb at mutual agreed rate between University and iWeb once iWeb team has estimated the efforts.

In order to have a successful implementation we would require two dedicated resources from 'The University' to coordinate, train users under train the trainer approach and support other colleges.

CONTRACT PERIOD

The contract shall be for an initial period of Four (4) years. After the completion of the contract, period, the contract may be renewed on mutually agreed terms, (Renewal notice to be initiated by the University 3 months before the actual date of expiry), in case of non renewal of the agreement on expiry of the term 'The Vendor' shall transfer the ownership of the entire solution in a functional and upgraded state without any constraints. However the IPR (Intellectual Property Rights) with respect to 'Agilewiz BPMS™' Platform will solely remain with The Vendor partner which is 'iWeb Technology Solutions Pvt. Ltd.' The IUMS™ software can even be operated without using Agilewiz BPMS™

Since the solution will be hosted on 'The Vendor's' Private Cloud, if the agreement stands cancelled /lapsed 'The University' needs to provide the vendor a Server with appropriate configuration to install and run the Technology Based IUMS™ before the final handover and the university shall maintain the complete infrastructure.

LICENSE GRANT AND RESTRICTIONS

'The Vendor' hereby grants 'The University' a non-exclusive, non-transferable worldwide right to use the Service solely for University's own internal business purposes, subject to the terms and conditions of this agreement. All rights not expressly granted to 'the University' are reserved by 'the Vendor' and its licensors.

The University shall not utilize the services of 3rd Party for maintenance, updating of the software developed and deployed by Iweb through Kotak as long as the contract is in force, and if carryout, it will be at the risk of the university and the agreement stands cancelled automatically.

"The University" may not access the Service if "The University" or any 3rd party vendor/consultant of "The University" is a direct competitor of the Vendor', except with 'the Vendor's prior written consent. In addition "The University" may not access the Service for purposes of monitoring its availability, performance or functionality, or for any' other benchmarking or 'competitive purposes.
